Additional Information for HUBS	Ingathering page on website	**IT IS PREFERRED THAT ALL FOOD ITEMS GO TO A HUB FOR LOCAL FEEDING MINISTRIES. All donations (food items and kits) may be delivered to HUBS. If someone prefers to take the disaster kits to a hub also, rather than deliver to the trailor parked at the Food Bank on Nov. 12, that is acceptable.**								
		HUB Churches are requested to deliver the food items to other local food ministries in their area - Do not bring food items to the Food Bank								
		HUB Churches, if possible, are asked to deliver all Disaster Kits to the AR Disaster Relief Trailor which will be located at the Food Bank on November 12 between 8:30 - 12:00.
