8:00pm – Show off your fort/ tent / space & Hang out catch up – Zoom

9:00pm – Online Escape Room – Zoom (split into 2 groups doing the same escape room) (<https://www.breakoutedu.com/>)

9:45pm – Trivia – Zoom with Sidekick app from DYM

10:45pm – Pictionary – Zoom & www.gartic.io (I created a custom deck for us but they have plenty of ones to use and are family friendly. Also can create a room for just your students up to 50 players.)

12:00 – Netflix Party – we had them vote on a movie leading up to the event on Instagram. We had a ton of issues getting it to work so we just stopped trying and went back to playing Pictionary until 2am.
