

2023 Charge Conference Instruction Form

Charge Conference is a celebration of your congregation's ministry, an annual business meeting, and the connecting link between the local church and the general Church. The primary responsibilities of the charge conference are to review and evaluate the total mission and ministry of the church, receive reports, and adopt objectives and goals recommended by the church council that are in keeping with the objectives of the United Methodist Church.

All completed forms and attachments (fully approved by the congregation's board) are due to District Offices by close of business on **Monday, October 2, 2023 and early submission is greatly appreciated.**

Submit your packet to your assigned District Superintendent supervision region, regardless of the district in which the church is located. This will help with filing of packets and scheduling of Charge Conference.

Your District Superintendent, District Office, and/or Circuit Elder will be working with you to schedule your Charge Conference, which may be held as an individual church, together as part of a charge, or as a regional cluster of several churches. The DS, a Circuit Elder, or an assigned Elder will preside.

Charge Conference Packet

- Charge Conference packets/forms may be found online at www.arumc.org under the "forms" tab. **These forms MUST be downloaded first.** Upon downloading and saving the PDF version of the forms to your computer, you must use Adobe Acrobat or Adobe Reader to open the file to enter your data. The Windows 10 version of a pdf reader will not allow you to fill in the forms. Adobe Reader is free and can be downloaded from www.adobe.com. If downloading Adobe Reader is not possible, the Word version of the forms should be downloaded.
- The Pastor's Membership Report and the Pastor's Compensation Form (available in both Word and PDF versions) are set up to calculate totals. Navigation Tip: Use the "TAB" key to navigate through the forms. If you hit "Enter/Return" by accident, just backspace or "UNDO." The calculations are executed by tabbing to the next field.
- *The Safe Gatherings Policy, Financial Policy, Accountable Reimbursement Policy, and Accessibility Audit/Plan are to be reviewed, signed and dated annually by the chairperson and pastor. A copy of each should be placed on file in the church office and submitted to the district office annually as part of the charge conference records.*
- Make a copy of the packet and distribute each report to the person who will complete it, with a clear deadline well ahead of the Board/Council meeting.
- A checklist of Charge Conference documents and attachments is included to help you track the different reports.

Submitting your packet for the District Charge Conference:

- Contents of the Charge Conference packet must be approved by the Church Council/Administrative Board/Governing Body **before submitting to the District Office.**
- Schedule and advertise a Board/Council meeting prior to the date your packet is due in the district office. All reports should be presented to the Board/Council at this meeting. The Board/Council will vote to *receive the reports and to recommend the packet to the Charge Conference for final approval.*
- During the Board/Council meeting, the recording secretary will complete the 2023 Board Recommendation for Charge Conference (page 2 in the packet).
- Following the meeting, mail, email, or deliver **ONE (1) copy** of the Charge Conference packet for each church to your District Superintendent's office. Remember to print a copy for the church files. EMAIL submission is strongly recommended.
- If mailed or delivered, materials should not be presented in a binder, as this must be taken apart and placed in the permanent file. Please do not staple any forms together as all staples have to be removed for scanning.

Planning Your Charge Conference

- Spend time planning your Charge Conference. Plan the conference so that it will be a celebration, not just another meeting.
- Follow the suggested agenda as closely as possible. Recruit people who are excited to share. Remember, it is the pastor's responsibility to make certain that all participants are well-prepared for their presentations.
- Encourage attendance at the Charge Conference. Don't take attendance for granted. Send cards, public announcements, personal encouragement, etc. Note that the Discipline provides for the option of a Church Conference. Consult with your DS if you wish to do this.
- Have a table and two chairs available for the District Superintendent (DS) or Circuit Elder (CE) and Recording Secretary. Make sure a Recording Secretary is present. The Minutes Form may be used to record the minutes of the Conference.
- If there is something you think may be controversial coming before the Conference, inform the DS/CE before the Conference convenes. By the same token, if there are areas you wish to have emphasized, commended, celebrated, etc., give the DS/CE a "heads-up."

For Churches assigned to meet as part of a regional "Cluster Charge Conference"

- Charge Conferences this year will be held in a variety of ways. They may be held as an individual church, together as part of a charge, or as a regional cluster of several churches. The District Superintendent will assign each church to a particular method.
- Cluster Charge Conferences - Some churches in a region might be assigned by the district officer to hold their charge conference as part of a regional "cluster." This was an Arkansas Conference tradition a few years ago. The clusters may simply be based on regional affinity or on the administrative "circuits" that each District Superintendent uses as a part of district administration. District offices will be calendaring which type of charge conference and who will be presiding (DS, circuit elder or assigned elder) for each church.

Hosting a "Cluster Charge Conference"

- The pastor of the host church is responsible for providing a recording secretary. Following the conference, the host pastor is responsible to ensuring that copies of the minutes are sent to the District Office and copies of the minutes are sent to all the congregations in the cluster group.
- It is recommended that the host church organize a time of hospitality for the churches that gathered, with light refreshments and a time of connectional fellowship.
- The business of the gathered Charge Conferences will usually be handled via a consent calendar..
- As an extension of this year's Annual Conference theme, "**Come to the Table,**" each church will have a few minutes to share about ministry in their local church. We ask that lay leadership share on behalf of the congregation, not the clergy.
- When nominations are presented, they will all be voted as a unified slate, unless there are nominations from the floor. Please have copies of the nominations for your members present. Pastors should read the Book of Discipline to make sure that their committees are within the guidelines.
- If there are any individual issues that a church needs to deal with privately, the DS should be notified of the issues, in advance, and what might be expected. If necessary, a church will be in extended charge conference at the close of the Cluster Charge Conference, or a called session of the Charge Conference may be held at a later date.

2024-2025 Pastor's Compensation Form Instructions

The compensation form matches the conference appointive and fiscal year of July 1 - June 30. The new annual pastor's compensation will be applied to begin July 1. If a congregation seeks to increase compensation for January - June, it should complete an additional compensation form using annualized amounts, indicate the appropriate effective dates, and include the additional form in the Charge Conference Packet for approval. Contact your DS for questions about clergy compensation.

Payment

- **Church Contribution to Pastor Compensation (Line 1)** – List the total pastor's salary as approved by the charge/church conference prior to any deductions. Do not include other compensation items listed below (Equitable Compensation, Cash Allowances, or Utilities and Appurtenances) or housing allowance.
- **Equitable Compensation or other Conference Support (Line 2)** – List all funds received from the Conference for the support of the salary for the pastor.
- **Cash Allowances (Line 3)** – List any amount paid to the pastor for non-accountable cash allowances. This may include, but is not limited to car or travel allowance, discretionary funds, and/or expense accounts.
- **Utilities and Appurtenances (Line 4)** – List funds designated for use by the pastor for housing-related expenses as provided for by IRS section 107. This may include utilities, furnishings, or other non-consumable housing-related expenses. More information on this topic can be found in IRS Publication 517 or by visiting <https://www.gcfa.org/services/legal-services/gcfa-tax-packet/>.

Deductions

- **Flexible Spending Plan (Line 6)** – These plans, sometimes referred to as Cafeteria 125 plans, may only be used in conjunction with a bona fide group health care plan. If the church does not offer the pastor health care coverage through a group plan, then flexible spending plans may not be used for health care reimbursements. In other words, these plans cannot be used to reimburse medical expenses, including premiums for plans bought through the medical exchange.
- **UMPIP Contribution (Line 7)** – This is the voluntary contribution by the pastor to the United Methodist Personal Investment Plan (UMPIP). These funds may be withheld on either a tax-deferred or tax-paid basis. At least 1% of plan compensation (Line 5 plus housing) must be contributed in order to receive a 14% matching contribution.
- **UMPIP Contribution Tax Deferred (Line 7b)** – If the contribution from the prior line is contributed on a tax-deferred basis, then write "Yes" on line 7b. If the contribution is being made after-tax, write "no."
- **403B Contribution Other Than UMPIP (Line 8)** – List any amount being contributed to a retirement fund for the pastor other than UMPIP. Please indicate whether this is being made on a tax-deferred basis.

Housing

- **Parsonage Provided (Line A)** – If your church provides a parsonage, answer "Yes" otherwise, answer "No."
- **Date of Parsonage Inspection (Line B)** – Write the date of the last inspection of the church-owned parsonage. If the church does not provide a parsonage, then leave this line blank.
- **Housing Allowance (Line C)** – List the amount of money the church provides for the pastor's housing allowance. This is only in lieu of a church-owned or leased parsonage. The pastor does not have to provide the church receipts for reimbursements of these funds. This amount may be reported on box 14 of the pastor's W2. **This amount is paid in addition to the amount on Line 11.**

Reimbursements

- **Accountable Reimbursement (Line D)** – A budgeted fund established to reimburse the pastor for expenses. Pension is not paid on this amount, and it is not considered a part of compensation. This optional arrangement should only be established with a written policy set by the church and requires written documentation of expenses. For more information and sample policies, visit <https://www.gcfa.org/services/legal-services/gcfa-tax-packet/>.

Other Benefits

- **Does the Church Provide Group Insurance for You (Line E)** – Please write yes or no if the church provides group insurance for the staff for the calendar year in which YOU participate.
- The Conference Clergy Vacation Policy is on p. 319 of the 2022 Arkansas Conference Journal.

2024 Election of Lay Member and Alternate Lay Member to Annual Conference

Lay Member Elected by Each Charge - From ¶32, 2016 Book of Discipline of the United Methodist Church “Each charge served by more than one clergy shall be entitled to as many lay members as there are clergy members. The lay members shall have been for the two years next preceding their election members of The United Methodist Church and shall have been active participants in The United Methodist Church for at least four years next preceding their election. If the lay membership should number less than the clergy members of the annual conference, the annual conference shall, by its own formula, provide for the election of additional lay members to equalize lay and clergy membership of the annual conference.”

Lay and Alternate Lay Members of the Arkansas Annual Conference from your church or charge **are the church members elected at this charge conference** . Every church or charge is allowed a set number of lay members and alternate lay members to vote at Annual Conference, depending upon the number of clergy eligible to vote who are serving in the congregation or charge. A church in “to be supplied” status has a vote and will need to elect a Lay Member to Annual Conference. **To ensure each charge is represented, clergy are asked to contact lay and alternate lay members from the church or charge during late January and ask them to confirm again that they will be able to attend for all days of the session.** If there is a reason the lay member cannot attend one day or even a portion of a day, ensure the alternate lay member is informed and will be present. Please note: Your Lay Leader is not automatically considered your Lay Member to Annual Conference; you will need to elect a Lay Member to Annual Conference and list them accordingly. During Annual Conference, only the votes of the official lay member elected at the charge conference (or the elected alternate in the lay member’s absence) may be counted on the church or charge’s behalf. One’s vote cannot be transferred to someone else except by having another charge conference and selecting them as the lay member.

Safe Gatherings Policy

The Arkansas Annual Conference has contracted with Safe Gatherings, Inc (<https://safegatherings.com>) to be responsible for all background checks, reference checks, training, and maintaining documentation for the Conference, as well as for local churches. All clergy and lay persons working with Protected Persons at District or Conference events must be Conference Safe Gatherings Certified.

In order for children, youth, and vulnerable adults to participate in District and Conference events, their local congregations are required to upload a copy of their local church's Safe Gatherings policy, which must be approved by the local church Board of Trustees, and must include, at a minimum, provisions comparable to those in this policy, to the Safe Gatherings dashboard provided no later than October 31, 2022, and annually thereafter.

Each local congregation is encouraged in the strongest terms to implement a Safe Gatherings policy. It is recommended that all policies include at least:

- Additional Safe Gatherings requirements as deemed appropriate by the local congregation
- Appropriate supervision of children, youth, and adults
- Guidelines for reporting reasonably suspected maltreatment
- Media response plan
- Selection of a Safe Gatherings Coordinator. It is strongly recommended that this individual not be a pastor. The congregation should provide the Conference Safe Gatherings Coordinator and District Office with the name and contact information of the local coordinator.
- Guidelines on youth volunteers within the local church setting
- Policy approval by the local church Board of Trustees with an annual review and renewal date

Does the congregation's policy meet or exceed the Conference Safe Gatherings recommendations at <https://arumc.org/our-resources/safe-gatherings/>?

- YES
 NO

Submission of Safe Gatherings Policy to the Conference

Choose one:

- A copy is on file on the Conference Safe Gatherings Online Dashboard.
 Our congregation is not participating in the Safe Gatherings program, and therefore, we have included a copy of our policy with this Charge Conference Packet

The Safe Gatherings Policy has been reviewed (and revised, if necessary) and approved and submitted to the conference.

2023 Policy Statement on Misconduct of a Sexual Nature

This form is to be filled out for each church, properly signed, and dated. This is to be done annually. Clearly indicate the name of the church in the proper places. This policy shall be read by the Board/Council, Pastor(s), and staff, adopted by the local Church, and signed by the pastor, all staff, and volunteers in children, youth, and vulnerable adult ministry areas.

Par. 1000 Policy Statement on Misconduct of a Sexual Nature

(Adopted by the Annual Conference on June 10, 2004; revised June 14, 2005; updated September 17, 2019, updated June 2022)

I. Statement of Policy

The _____ United Methodist Church affirms the **2016 Book of Resolution #2044**, Sexual Abuse Within the Ministerial Relationship, and #2045, Eradication of Sexual Harassment in the United Methodist Church and Society, which state that sexual abuse within the ministerial relationship and sexual harassment within the church are incompatible with biblical teachings of hospitality, justice, and healing. In accordance with the **2016 Book of Discipline** (§161.F), all human beings, both male and female, are created in the image of God, and thus have been made equal in Christ. As the promise of Galatians 3:26-29 states, all are one in Christ, we support equity among all persons without regard to ethnicity, situation, or gender. Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader, or other position of leadership) engages in sexual conduct or sexualized behavior with a congregant, client, employee, student, staff member, co-worker, volunteer, person being counseled or any other person to whom the minister relates in his/her capacity as a minister. Sexual harassment is any unwanted sexual advance or demand, either verbal, physical, or digitally or electronically engaged, that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role, and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Misconduct of a sexual nature within the life of the church interferes with its moral mission. The _____ United Methodist Church stands in opposition to the sin of misconduct of a sexual nature in the Church and society at large and commits itself to fair and expedient investigation of any charge of sexual misconduct within the church. The church shall act in compliance with the **Book of Discipline**. Further, the United Methodist Church bears affirmative responsibility to create an environment of hospitality for all persons, male or female, which is free of misconduct of a sexual nature and encourages respect, equality, and kinship in Christ.

II. Procedures

A. If you experience what you consider to be inappropriate behavior, keep a written record of your experiences, including dates, times, places, and witnesses. Keep any written material you may have received from the person. You may wish to confront the person with the inappropriate behavior and demand that it cease. If you choose not to confront the person alone, you may choose to ask someone to accompany you to confront the person and seek reconciliation. If you choose not to confront the person, or if the behavior continues, report the incident to the chair of the person's appropriate evaluating committee (e.g., a pastor or church staff member would be reported to the chair of the staff/pariah relations committee; a district superintendent to the chair of the committee on superintendency; a bishop to the chair of the committee on episcopacy). If the conflict is not resolved to your satisfaction, the committee chair shall convene the entire committee to meet with the accused, the person bringing accusations, and each supporting person. If the situation is not resolved to your satisfaction following these efforts, then follow the Discipline's procedures for grievances, complaints, and charges.

B. If you are confronted by someone who has experienced or observed inappropriate behavior on your part, listen to the accusation and agree to change the behavior or otherwise resolve the situation and reconcile the relationship. If you are unable to resolve the situation with your accuser, contact the chair of your appropriate evaluating committee. Ask to meet with your accuser and committee chair to resolve the conflict. The accused and the person bringing the accusation each have the right to bring a supportive person to this meeting. If the conflict remains unresolved, the committee chair shall convene the entire committee to meet with the accused, the person bringing the accusation, and each supporting person.

C. If you receive a report of inappropriate behavior, listen seriously and objectively. Help the person follow the steps outlined above. If you are a clergy/church professional in a paid supervisory position in the local church or a conference agency, and an employee is being harassed, you should immediately take corrective or preventive action. According to Arkansas law, any person receiving a report concerning a child under age 18 indicating sexual abuse of that child is **required** to report the abuse to the proper authorities.

Information for clarity

Persons covered by this policy: Church employees, persons seeking employment, volunteers, teachers, all clergy assigned or appointed, and members of the congregation. Sexual misconduct is a chargeable offense for both members and church professionals. It is the abuse of power and authority. Includes but is not limited to sexual harassment, sexual abuse, the use or possession of pornography, and any form of criminal sexual conduct. Sexual harassment is "any unwanted sexual comment, advance, or demand, either verbal, physical or electronically communicated, that is reasonably perceived by the recipient as demeaning, intimidating or coercive. It is unwanted sexual or gender-directed behavior which alters the conditions of employment, volunteer work, or worship experiences by creating a hostile environment that can include unwanted sexual jokes, repeated advance, unwanted touching, displays, or comments which insult, degrade, or sexually exploit any person of any age. A complaint is a written, dated, and signed statement. This policy covers all persons employed by the Arkansas Annual Conference, including but not limited to the Bishop, members of the Cabinet, conference and district staff, and retired clergy (local pastors, deacons, elders). Local congregations are strongly encouraged to adopt the policy and to train the members of the congregation so that it will not be necessary to apply it.
