Note that this training takes approximately 2 hours to complete but can be stopped and restarted if necessary and will pick up where you left off.

Once you have completed all these steps, Safe Gatherings will process your information and form submissions. If everything is approved, you should receive an email stating that you are Safe Gatherings Certified. This can take anywhere from 7 to 14 days. You can check the status of each of your steps by logging into your account at any time. This certification is good for 3 years and you will receive an automatic email reminder when it is time to renew your certification.
