☒ Yes ☐ No

Share your reasons for wanting to be an alternate delegate:

I feel it would be an honor to be a delegate for the jurisdictional conference. I believe whole heartedly in the United Methodist Church and its work. I feel that the voices for representation need to be spread throughout the entire conference. I want to be part of making decisions on how/who leads our churches and conference.

What do you believe are three (3) critical challenges facing The United Methodist Church in the next four years?

We as United Methodist are going to spend a lot of time defending our decisions. We are going to have to be extensively involved in our communities and rebuild the trust and show the love and acceptance we have. The third challenge is we have to get out of the attitude of being served and start serving as Jesus did.

Is there any additional information you wish to share about yourself, such as leadership experiences in the church or community, that will help you do the work of the delegation?

I worked with a team in the Philippines to write and develop a program. Then, I train my team of twenty-four members to work with the program.
